

Employment Vacancy

Name of Club:- ALC Ref No:- Job title:- Full/part time:- Location:- Duration:- **Brief Job Description:-**

We are looking for an enthusiastic sommelier to join our team at Buck's Club due to the current sommelier soon to go maternity leave. January start. Monday to Friday only.

Hours/week:-

If you have the right experience, we would like to hear from you but even if you think your experience and knowledge is insufficient but you have the desire, right attitude and a good grounding in wine we would also like to hear from you. We can train you on many things but the right attitude is something you will already have.

Wage/Salary:-

The role is an absolutely key element in the success of the club and the contribution that the Sommelier can bring to the overall profitability and reputation is vital. Key responsibilities include: cellar and stock control; cellar management; stock rotation; planning purchases for consumption well in advance; significant liaison with the Wine Committee for purchasing decisions; production of wine lists; acting as Sommelier at lunch, dinner as well as at functions; increasing personal wine knowledge; the 'go-to' expert in the club both for members and staff; increasing the already excellent reputation of the club through the sale and promotion of wines.

You will be working independently much of the time and you will report to the Dining Rooms Manager. This is a full-time job for 45 hours per week on a rota basis, Monday to Friday. Weekend work is very rare.

You must be eligible to live and work in the UK and candidates will be asked to provide such documentation.
